Dear Friends of the Summit Lake Paiute Tribe,

Advise if you do not wish to receive further emails of this type.

A father and his adult son were indicted by a federal grand jury several days ago for taking important, historic, cultural resources from the Tribe's traditional territory (at least 2,800 square miles around Summit Lake). These items included projectile points, bifaces, stone tools, etc. For a copy of the Indictment, learn the thanks the prosecutors offered the Tribe, and to learn what the Tribe is doing to protect all of its resources, go the the Environmental Alerts Page @ [www.summitlaketribe.org](http://www.summitlaketribe.org)
