Daniel, Okay. Do I need to re-send all of my emails on the changes I wanted or do you still have them? Will I get instructions on how to make the smaller changes, like adding photos and PDF documents? Ron

Good Morning/Afternoon,

I can start the maintenance ticket as soon as possible. However, it can take between 7 to 10 days for all of the changes to get done once we have all of them.

Thank You,

Good Morning/Afternoon,

The site is accessible at this time. If you want to gather all the additions that you wanted to add into maintenance one more time for us that will help in being able to get those done easier for you when we start the maintenance ticket.

Thank You,
