Additional changes to new web site:

Changes to Council Members page:

1. Delete the phone number for Lorraine Watson.
2. Above Bookkeeper insert a title using the same style font as Council Members titled Administration, and above Bookkeeper place the following just like Bookkeeper and Roberta's name:

Acting Chief Administrative Employee  
Ron Eagleye Johnny  
775.827.9670 (ofc)  
775.827-9678 (fax)  
[ron.johnny@summitlaketribe.org](mailto:ron.johnny@summitlaketribe.org)

Changes to Natural Resources Department page:

Above Project Updates insert (in same font and style as Roberta's name and title and my name and title (remember, I have two titles with Tribe)):

Natural Resources Director  
William Cowan  
775.827.9670 (ofc)  
775.827-9678 (fax)  
[william.cowan@summitlaketribe.org](mailto:william.cowan@summitlaketribe.org)

Resource Technician  
Kent Bloomer  
775.827.9670 (ofc)  
775.827-9678 (fax)  
[kent.bloomer@summitlaketribe.org](mailto:kent.bloomer@summitlaketribe.org)

Change to Upcoming Events page:

Following Tribal Office remove current text and insert to read:

Tribal Office: In February 2008, Tribe's Primary Administrative Office was moved from Winnemucca, Nevada, to 3690 Grant Drive, Suite K, Reno, NV 89509, location of Natural Resource and Environmental Protection Departments. A new office location in Reno is being sought to allow all departments to be at same location with a large enough conference room to accomodate Council meetings.

Following Council meetings insert:

10:00am-2:00pm, Saturday, May 17, 2008 at Summit Lake Reservation.  
10:00am-2:00pm, Saturday, June 21, 2008, Location To Be Announced (TBA)).  
10:00am-2:00pm, Saturday, July 19, 2008, Location TBA.  
10:00am-2:00pm, Saturday, August 16, 2008, Location TBA.  
10:00am-2:00pm, Saturday, September 20, 2008, Location TBA.

Agendas for all Council meetings are in accordance with Articles of Association (Tribe's constitution).

Change in Contact Us page:

Remove names and information listed for Natural Resource Department only leaving my info as listed.

Change in Weather and Road Conditions page:

Remove picture of "Road Closed" sign and text below that. Insert the following:

All roads to Summit Lake Reservation reported open. Use caution when traveling, and be prepared for extreme Spring weather events (e.g., thunder storms with extreme winds, hail, snow and heavy rain). Know how far you are from nearest possible contact to summon help. Several weeks ago, a federal employee had to walk a reported 12 miles to summon help after his vehicle became inoperative. Carry cold weather gear, and more food and water than you anticipate needing--the life you save may be that of your own. Let someone know your travel route and your estimated time of arrival to your location.

NO FURTHER CHANGES NEEDED AT THIS TIME. I would like instructions and training to make small, simple changes to web site.

Ron
